

The MUNCH Community Needs Your Support!

MUNCH provides a sit-down meal on Monday and Wednesday nights at the Maitland City Uniting Church Hall, serving between 30 to 50 people each night. MUNCH fosters hospitality and community connection in a respectful, safe, and compassionate environment. It is the main provider of food, community, and support in central Maitland for those facing hardship. Run by the Uniting Church for over 40 years, MUNCH now needs your help to continue its vital work.

Help Us Raise \$20,000 for a Skilled Coordinator

To sustain and grow our impact, we aim to raise an extra \$20,000 this year to employ a skilled coordinator. This role will help recruit and train volunteers, oversee food purchasing and meal delivery, expand community support, and build a more caring Maitland community.
